

## **Divine Health and Finance Confession for the Entire Congregation**

Father in Heaven, thank you that You are the Lord, our Healer, Jehovah Rapha, and El Shaddai, the God of more than enough. We praise You for Your eternal covenant given to Your children. We claim our redemptive benefits package of divine health and prosperity by faith through Jesus Christ. Lord, thank you for forgiving all our iniquities, healing all our diseases, redeeming our lives from destruction, and renewing our youth like the eagle's.

God of vengeance, execute judgment against principalities, powers, rulers of the darkness of this world, and spiritual wickedness in high places that have gathered to attack the people of God in their health and finances. Father, we praise You for miraculous testimonies of continuous breakthroughs in healings, deliverances and finances in Jesus' Name. Amen.
