Dear Friend,

Take a look around you. Every day you see people – in your home, on your job, on the street – who need a change in their lives.

Whether it's addiction, poverty, or depression, people are in search of a power that can authentically change their lives and bring the kind of freedom and fulfillment they were created to have.

While you're looking around, look inside yourself, too. Perhaps you are in search of a better way of living. In your heart you know that you are capable of doing more, of achieving greater things, of living a more abundant life. You know you were designed for greatness, but you don't know how to break through and be all that God intended for you to be.

I have good news for you! There is a power that can bring about change. It's the Word of God. And, as a believer in Christ, it's already yours! Now you must learn how to access it and share its life-changing power with others.

This is what Bill Winston Ministries is all about. Teaching the Body of Christ how to live independent of this world's system and take dominion over it.

Once you experience the freedom and fulfillment that comes by walking in God's Word and living by faith, you will never go back to that old way of doing things.

Join us in taking the Word to the world by becoming a Faith Partner with Bill Winston Ministries.

for Growth*

A photograph showing a large catch of fish, likely small fish, piled up in a boat at night. The fish are illuminated by a light source, possibly a headlamp, creating a strong contrast against the dark background. The fish are packed closely together, filling most of the frame. A wooden beam or part of the boat's structure is visible on the left side. The overall scene suggests a successful night fishing trip.

*“Now when he had left speaking,
he said unto Simon, Launch out
into the deep, and let down
your nets for a draught.”*

Luke 5:4

Power of Partnership

The Bible tells us that when Jesus was in Gennesaret, he told Simon Peter to “launch out into the deep and let down your nets for a catch.” When Peter did as Jesus commanded, he caught a **net-breaking, boat-sinking load** of fish. There were so many fish that Simon Peter had to call for his partners to help him.

Peter’s **partners** helped and they shared in the abundance that God had manifested.

This is the same power of partnership and the truth upon which you can take a step of faith and become a **Faith Partner** with Bill Winston Ministries.

At Bill Winston Ministries, we have launched a worldwide campaign to preach the Gospel of the Kingdom of God. We are training believers to live independently of and have freedom from this world’s system through the application of the word of faith.

We need you, our **Faith Partners**, to help us bring this message to millions of people, bringing them into the freedom that God’s Word promises.

You may not be able to personally go to the foreign mission field, but your gifts and prayers can. And together, we can receive the harvest that God has prepared and is now ready to reap.

BILL WINSTON MINISTRIES CARRIES OUT ITS MISSION BY:

- ▶ Empowering men and women to use their financial gifts and talents for the expansion of the Kingdom of God.
- ▶ Teaching God’s principles on how to live by faith and promoting freedom worldwide.
- ▶ Reaching the lost.

“For the earth shall be full of the knowledge of the Lord, as the waters cover the sea.”

Isaiah 11:9b

Your contributions to Bill Winston Ministries helps us share God’s Word through a variety of media.
